BREAKING NEWS

What makes an excellent chess player?

Well, just ask Olivia.

Team captain. Check. National finalist. Check. Girl's champion. Checkmate. Now Olivia has just earned the #1 listing as the leader in the national Grand Prix contest for Idaho chess players. Both Olivia and her sister Darci are Young Chess Masters, take lessons each week, and enjoy competing at regional and national competitions.

If fact, it was her many tournament victories against higher rated players that boosted her to the top of Idaho's Grand Prix list. Cheer her on as she attempts to win the Grand Prize award - a special cash prize!
